Instrument cluster for a Bell B45E vehicle. The cluster features two main gauges: a speedometer on the left and a tachometer on the right. The speedometer shows 0 mph and 31 mph. The tachometer shows 600 rpm. The central display shows the time 09:52, gear position N, and engine hours 4418.1 hrs. A Warning Lights indicator is present below the central display. The cluster is branded with BELL and B45E.
